

ASHRAE Level 2 Energy Audit

Georgia Power now offers ASHRAE Level 2 energy audits. ASHRAE Level 2 audits are an effective way to lower energy costs and prioritize future capital projects. The audit identifies opportunities for operational improvements through an in-depth evaluation of your building's energy performance.

ASHRAE Level 2 Energy Audits Provide:

- Identification of energy conservation opportunities
- Identification of major energy consuming devices
- Financial costs for proposed energy conservation measures
- Payments billed to Georgia Power account

Benefits Include:

- Satisfies Atlanta Commercial Energy Efficiency Ordinance
- Lowers energy costs
- Reduces maintenance costs
- Reduces carbon footprint

Audit Fees	
Building Size (Sq. Ft.)	Cost per Building
<= 100,000	\$5,000
> 100,000 <= 250,000	\$7,500
> 250,000	\$10,000

Call the experts at Georgia Power to schedule your ASHRAE Level 2 audit today.
